Dear Selectboard,

The New Hampshire Division of Forests and Lands is planning to harvest timber from 304 acres of the Kearsarge Mountain State Forest in the town of Warner, New Hampshire. Attached is a location map of the planned harvest for your reference.

This harvest operation will require the transportation of forest products over town roads. Mr. Harold Blanchette, the Road Agent for your town, will be contacted.

We are in the early stages of planning this harvest which we do not anticipate offering for public bidding before Spring 2027. At the time of the sale you will be notified as to the volume sold and the successful bidder who will be responsible for payment of the timber tax.

If you have any questions or comments please contact Luke Berardinelli the forester in charge of this project, at 603-796-2323. Please refer to project P2-525.

This letter is in compliance with RSA 541-A:39, Notice to Municipalities. We would appreciate it if you would post this letter in a public place, thank you.

Sincerely,

William T. Guinn, Administrator  
Forest Management Bureau
